

# Raisin

A contemporary adaptation of  
Lorraine Hansberry's *A Raisin in the Sun*

ActUp Theater presents **RAISIN**, an original contemporary musical adaptation of *A Raisin in the Sun*! Excited to bring the classic Lorraine Hansberry play to new light, **RAISIN** portrays a few weeks in the life of the Youngers family. Race, identity, family, and the American Dream are put under the microscope as the Younger family tries to build a better life for themselves and future generations.

The relevance of this play is brought to the present day with a lively 30-minute *Talk Back Reception* hosted by Partnership for Strong Communities after the production by the cast to discuss themes of gentrification, owning property, family and going after your dreams in today's society. ActUp Theater's *Talk Back Reception* will challenge the audience to look at Lorraine Hansberry's important depiction of society with an intimate cast featuring the best talent of our community.
